Eren Eroğlu, Web Developer

Dedicated web developer with 8 months of intensive coding experience and a growing portfolio of personal projects. Proficient in HTML, CSS, JavaScript, and Bootstrap, with a strong understanding of web development principles and best practices. Able to quickly learn and adapt to new technologies and frameworks. Seeking an entry-level web development role to continue learning and growing as a developer, and to contribute my skills and creativity to a dynamic team

Education

English Language Teaching, Aksaray University

September 2018 — June 2023
